

Instructions for posters for the 2018 CMaT retreat in Madison, WI

We are not going to have a required poster template for the CMaT retreat. We would like to communicate the following to all of the trainees who are participating in the retreat:

- The display boards in Wisconsin are 46in X 46in. The recommended poster size is 45in wide X 36in tall. There is a wooden frame around the display boards so any poster bigger than 46in will be difficult to display.
- Please include the CMaT logo
- A template is available for anyone who would like to use a template
- Each trainee is expected to have a poster
- Trainees are responsible for printing and bringing their posters to the retreat
- Trainees are responsible for putting up the posters and taking them down (according to the retreat agenda)
